## FOR IMMEDIATE RELEASE

### **Full Freeway/Surface Street Closure on State Route 13 Northbound/Southbound At Broadway Terrace in Oakland**

*December 20 - 29, 2017*

**OAKLAND, Alameda County** – The California Department of Transportation (Caltrans) will have reversing one-way traffic control in place at Broadway Terrace starting Wednesday December 20, 2017, from 9:00 AM – 3:00 PM until Friday December 30, 2017. Detour signs and flaggers will be on-site to direct traffic.

In addition, there will be a nightly full freeway closure of State Route 13 (SR-13) alternating between northbound (NB) and Southbound (SB) at the Broadway Terrace location, starting Tuesday December 26, 2017, from 12:00 AM – 5:00 AM, until Saturday morning December 30, 2017. Additionally lane closures will begin at 9:00 PM and conclude at 5:00 AM – lane closures on SR-13 will coincide with the alternating full freeway closure stated above.

Details of the closures are as follows:

- **During the reversing one-way traffic control, flaggers and detour signs will direct traffic**
- **During the full freeway closure all traffic will exit at Broadway Terrace off-ramp (NB/SB) and reenter the highway at Broadway Terrace on-ramp continuing with the direction of travel previously on**

Advance warning changeable message signs, detour signs and construction crew flaggers will be in place to assist motorists traveling in the area.

This work is weather dependent and will be rescheduled if necessary. Motorists are advised to expect delays and allow extra time for their commute. Please drive with caution through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.

# TRAFFIC ADVISORY

California Highway Patrol will be on site during night closures.
